About this property

It's a new residential complex in Benijofar, featuring 30 apartments spread across the ground, first, and second floors (penthouse) with 2 or 3 bedrooms and 2 bathrooms. The penthouses include a spacious private rooftop with a pool and the option of a summer kitchen to enjoy the sunsets. The residential area has a green zone and a communal pool, and offers parking spaces and additional storage rooms. Its location near the center of Benijófar provides access to amenities like shops, supermarkets, restaurants, and bars, and is also a short drive from Ciudad Quesada, Guardamar, and Torrevieja...
