About this property

Residential development in Torrevieja with 3 bedroom villas and ground floor and top floor duplexes with 2 bedrooms, in an urbanisation with large swimming pools, gardens and communal areas, all with incredible views of the Laguna Salada. Close to a multitude of services and unbeatably well communicated. All the properties have a white façade, sunny and with great natural light inside, clearly influenced by the most Mediterranean style. However, attention to detail has also been paid to everything that is not so obvious, such as the materials used and the high quality finishes.OUTDOOR...
