About this property

This is its first development, offering 51 homes with 1, 2 and 3 bedrooms. The project stands out for its architectural design focused on efficiency, with compact volumes that ensure thermal comfort in all seasons. Its most notable feature is the spacious terraces that extend the living space, merging the interior with the exterior and promoting an outdoor lifestyle. The development is committed to minimal environmental impact, using carefully selected materials to complement the surrounding natural views. The common areas enhance the concept of community and well-being, including landscaped...
