About this property

In the heart of Ciudad Quesada, with panoramic views of the La Marquesa Golf Course, stand these spectacular new villas that redefine the concept of Mediterranean living. Surrounded by nature and just 10 minutes from the sea, these homes combine exclusivity, innovation and a perfectly consolidated residential environment, ideal both for year-round living and for enjoying a permanent getaway under the Costa Blanca sun.OUTDOOR AREASThe villas are distributed over three levels and open up to the landscape through large terraces and large windows, offering a direct connection with the natural...
