About this property

This is its first development offering 51 1, 2 and 3-bedroom homes. This project is distinguished by its architectural design focused on efficiency, with compact volumes that ensure thermal comfort in all seasons. Its most notable feature is the large terraces that extend the living space, merging the indoors with the outdoors and promoting an open-air lifestyle. The development is committed to minimal environmental impact, using carefully selected materials to complement the surrounding natural views. Common areas enhance the concept of community and wellbeing, including landscaped gardens...
