About this property

This new development in Pilar de la Horadada offers just four townhouses, each with three double bedrooms, fitted wardrobes and three bathrooms, including one en suite. The modern, fully fitted kitchen has a breakfast bar, connecting to a spacious open plan living/dining room. Each property has its own tiled garden with private swimming pool and parking. In addition, a rooftop solarium is included, accessible from the first floor. These homes combine luxury and comfort in a tranquil and convenient setting, representing a unique opportunity in Pilar de la Horadada.OUTDOOR AREASHousing...
