About this property

A few metres from La Almadraba beach, in El Verger, and just a few kilometres from Denia, a project has been born that defies convention. One whose intention is none other than to make the impossible a reality: a residential development that aspires to become a sustainable, healthy and respectful community. Always seeking the utmost respect for nature, the project is conceived with brilliant sustainable strategies: rainwater collection, channelling and reuse systems that will give life to a lush sustainable ecosystem; refreshing gardens of native species whose maintenance will hardly be...
