About this property

Discover the New Residential Complex in Balcón de Finestrat, an exclusive development of modern flats that offers the perfect balance between luxury and comfort. This project consists of 2-bedroom, 2-bathroom homes, with a smart layout that includes an open plan kitchen connected to the living room. Some flats boast stunning sea views. The living options include ground floor flats with garden, middle floor apartments with terrace and top floor apartments with terrace and private solarium. Each property comes with a private underground parking space, guaranteeing comfort and security. The...
