About this property

A new concept of housing on the Costa Blanca, with 11 high quality homes located just 190 metres from the Acequión beach. Located in a quiet and well connected neighbourhood, it offers studios, one and two bedroom flats, ideal for both holiday rentals and permanent residence. All properties are delivered fully finished and ready to move into, including a storage room on the ground floor.OUTDOOR AREASThe building has a lift for 8 people and a communal area on the roof with swimming pool and beach type area. The exterior carpentry is of high quality PVC with solar control glass, ensuring...
